

HAINING YIKE NEW MATERIAL CO., LTD.

WALL PANELS & FLOORING

ONE-STOP SUPPLY HOME DECORATION

A modern interior space featuring vertical wood slats and a potted plant. The background is a blurred view of a building's exterior.

ABOUT US

YIKE is a China-based company focusing exclusively on the sales, production, and development of PVC marble sheet, WPC wall panels (indoor&outdoor), PVC ceiling panels, bamboo charcoal wood veneer, WPC decking, PS wall panels, PU stone wall panels and so on. We are committed to the development of overseas markets.

Our products have earned a good reputation in Southeast Asia, the Middle East, Central America, South America and Africa. We have also built a strong team of professionals with extensive experience as experts in products, marketing and services. We are confident that our customer can grow rapidly with our expert service. We will improve and grow together.

Become a DISTRIBUTOR and sell our products

YIKE works with a network of distributors across Southeast Asia, Mid East, Central America, South America, Africa to bring the benefits of wall panel to residential, commercial and industrial

customers. While we have a well-established distributor base, we are always interested in speaking with companies who would like to partner with us to expand into new regions or extend further into under-served areas.

With patented features, award-winning innovations and products of outstanding quality, efficiency and reliability, YIKE offers our distributors an attractive line of differentiated products, able to meet virtually any customer's needs.

We also make it simple to get started with a complete start up package for new distributorships, designed to enable you to hit the ground running, ready to offer the YIKE line of wall panel solutions to your dealers. Our package includes:

Marketing Support

- Samples for showroom and exhibition
- Banner stands
- Logo artwork and guidelines
- Print promotional material
- Vehicle stickers/promotion hat/promotion bag
- Link from our website

After-sale Service

- Warranty service
- Visit distributors once a year

Financing Facilitation

- Financial support – 2 for each country

Training

- Sales training
- Product training
- Installation training
- Training manuals

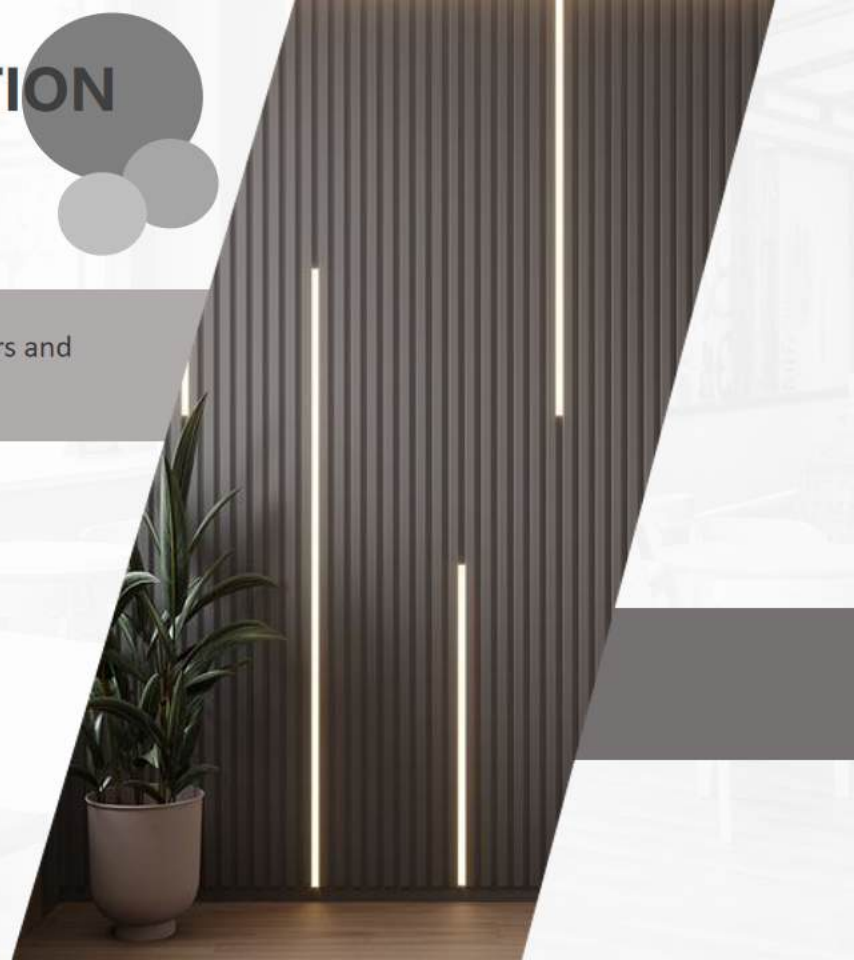

We also offer ongoing engineering, training, sales, marketing and customer support to assist you and your dealers in the continued success of your business.

INVITATION

We invite to join our family of successful wall panel distributors and project partners providing wall panel in your region.

Besides distributors, we work with builders, architects, engineers, contractors, utility companies and many other partners to provide wall paneling solutions. We'd be more than happy to talk to you if you have a project for which you think wall panels may be appropriate.
